

Adoption Wikipedia While the modern form of adoption emerged in the United States, forms of the practice appeared throughout history The Code of Hammurabi, for example, details the rights of adopters and the responsibilities of adopted individuals at length. I was adopted It was the greatest rejection, and acceptance, of my life. I have two mothers For one my birth represented a low point, a disappointment, a time of great stress and upheaval For the other one my arrival signaled a new beginning.
