Black also noted that Monsanto was concerned about animal rights activists and that they discussed how Blackwater could have our person's actually join activist groups legally. Black wrote that initial payments to Total Intelligence would be paid out of Monsanto's generous protection budget but would eventually become a line item in Black Water by Joyce Carol Oates, Paperback Barnes Black Water. Joyce Carol Oates gives us a mosaic, vivid vision, a luxuriant, rare glimpse into what it was like to be Kelly Kelleher in a desperate last flickering moment of life, to be swallowed by the black water of well disguised usury, to feel one's mind cling to the final bastions of life and hope and womanly need.
