Important afin de visualiser en ligne les structures en 3D, votre navigateur doit être équipé du plug-in Chimie Essentials before you start in order to view molecular structures you will have to configure your browser and to About SETAC North America Society of Environmental SETAC North America is a Geographic Unit GU of the Society of Environmental Toxicology and Chemistry SETAC, established to promote and undertake activities of SETAC in the United States, Canada and Mexico, and to support other GUs in Asia Pacific, Europe and Latin America.

Chimie minérale Wikipedia La chimie minérale, aussi appelée chimie inorganique par traduction littérale de l'anglais, est la branche la plus ancienne de la chimie. Elle comporte l'étude des divers corps simples existant dans la nature ou obtenus artificiellement et celle des composés qu'ils engendrent en réagissant les uns sur les autres, l'exception des

Chemicals Growth European Commission The chemicals industry is one of Europe's largest manufacturing sectors As an enabling industry, it plays a pivotal role in providing innovative materials and technological solutions to support Europe's industrial competitiveness. Simulations d'expériences en physique chimie Le site s'adresse aux professeurs de lycée qui veulent illustrer leurs cours ainsi qu'aux étudiants, aux lycéens et toute autre personne.
