Professional Services Digi International Implementation Planning Avoid surprises during implementation with remote consulting services to help you design, plan and implement your Digi hardware based solution. Reasons You Should Consider Embedded Cellular REASONS YOU SHOULD CONSIDER EMBEDDED CELLULAR CONNECTIVITY The Digi XBee Cellular is built to make embedded cellular connectivity painless for OEMs. Digi XBee Cellular LTE M datasheet Cellular can also be bundled with a cellular data plan and SIM, eliminating the hassle of securing and managing carrier data Digi XBee Cellular LTE M datasheet Digi TransPort CIP Best Practices Guide IP Best Practices Guide Cellular Plan IP Addressing and Secure Connectivity Options RF Radio Frequency and Modem Security Digi TransPort WR XT Digi International The Digi TransPort WR XT delivers a cost optimized G LTE connection to mission critical MM applications around the world. Conflict Minerals Digi International As a manufacturer of electrical electronic products which may utilize components that contain gold Au , tin Sn , tantalum Ta or tungsten W Digi International is aware of Section of the Dodd Frank Wall Street Reform and Consumer Protection Act regarding Conflict Minerals CMs sourced from the Democratic Republic of the Congo Digi International Supplier Environmental Checklist Digi International W th Street Minnetonka, MN tel central fax digi Digi International Supplier Environmental Checklist KEEP YOUR LTE MIGRATION ROLLING WITHOUT A T T G S h u t d o w n compliance All without another costly truck roll V e r i z o n N o N e w G A c t i v a t i o n s r o n G S h u t d o w n A T T G S h u t d o w n A T T Manufacturing Test Digi International Manufacturing Test Our test engineers work with product design teams to incorporate manufacturing ready designs into your product As the design is implemented and prototypes are built, test engineering creates and builds the automated test capabilities to test the alpha, beta, and production units, so you can be assured that each unit coming Digi International Acquires Accelerated Concepts, Inc. Digi International Acquires Accelerated Concepts, Inc Cellular LTE and Networking Solutions Provider Significantly Extends

Market Reach and Technology Base of Digi's IoT Product and Services Business Digi XBee Cellular NB IoT Development Kit datasheet digi Digi XBee Cellular NB IoT development kit provides OEMs with a simple, quick way to integrate cellular connectivity into their devices. Digi XBee Cellular LTE Cat datasheet RELATED PRODUCTS APPLICATION EXAMPLE Digi is excited to bring together the power and flexibility of the XBee ecosystem with the latest G cellular technology, Digi XBee Cellular LTE M Digi International Digi XBee Cellular LTE M Compact, flexible cellular connectivity for IoT devices and gateways CSENSE A Connect Sensor , Global G G Digi Digi machine to machine MM and Internet of Things IoT wireless and wired connectivity products are designed for the most demanding industrial environments. Digi TransPort WR RR Digi International Digi TransPort WR RR is a rugged enterprise class cellular router designed for rail environments Its rail industry ratings, versatility, security features and performance make it ideal for applications such as Positive Train Control PTC , wayside device communications and on board passenger Internet access. Project Planning Digi International Complete Project Planning After requirements, system concept and architecture have been drafted we update our detailed product development plan including all phases, risk management, staffing, milestones, certifications and deliverables for DG PSIC CUST Implementation Planning Digi Avoid surprises during implementation with remote consulting services to help you design, plan and implement your Digi hardware based solution. Why Endress Hauser Chose Digi Connect Sensor Digi Connect Sensor cellular gateway is paired with Endress Hauser's inventory management solution for wireless connectivity and bi-directional communications to help customers better plan tank replenishment. Digi XBee Cellular G datasheet Digi XBee Cellular G devices support G standards When OEMs add the Digi XBee Cellular to their Cellular can also be bundled with a cellular data plan and FloorBotics Brings Connectivity and Intelligence to Digi had tools that were easy to use We ordered a development kit and had it up and running very quickly The cellular plan worked right out of the box and we were really pleased with that. Professional Services Digi International Implementation Planning Avoid surprises during implementation with remote consulting services to help you design, plan and implement your Digi hardware based solution.
